Junior Indoor Carnival 18th May 2008

The indoor lifesaving season has started with the first carnival at
Recreational Health pool Sandringham!

Some first timers joined our veteran boys who have competed for many years, on a lazy Sunday afternoon and it's terrific to see our team is building. Fantastic to see us able to field so many relays even if Gray Chamberlain swam more laps of the pool than Grant Hackett in a training session! He and all our team members went home with handfuls of ribbons for their efforts as you can see! Nearly everyone had a go at the Under 12 Obstacle race, great effort when you're only 8 or 9. While I haven't got the aggregate score yet...we MUST be close to the top, placing in nearly every event...

WE NOT ONLY WANT YOU...WE NEED YOU!!!!

It has been many years since South had our name on an indoor trophy and this could be our year! Let me make a deal with you as I did with Manon...Just come ONCE and try it, if you don't like it I won't try and ask again, but I bet, like her at the end of the carnival, SHE was asking me when the next carnival is, so call her and ask how much fun she had.

Thanks to our hard working officials and support staff:

Carnival Referee: Barb Morgan Starter Jim Morgan

Time Keepers: Mark Chesterfield, Ines Rains, Ming Wang

Team Manager: Jenni Parsons-Quintiao assisted by Christine Cardwell & Carlene Chamberlain
