

Further wetsuit details

Two of the most commonly purchased wetsuits are the Steamer and the Spring suit.

A Steamer is a full wetsuit, long arms and long legs.

A Spring suit is a wetsuit with short arms and short legs.

The following prices for Steamers are the Classic – base model steamer and Ultimate – high end steamer. If you would like to purchase one of these wetsuits, please go to the Rip Curl website, www.ripcurl.com.au for the details requested on the form above. The prices shown is the price we pay.

If you wish to purchase something other than what is listed below, please go to the Rip Curl website, www.ripcurl.com.au, put all details on the order form, and you will be contacted with the price before ordering.
